### VERSE 1

Lord, I long to see Your face  
Behold all Your love and grace  
Your Power and Your Majesty  
Forever will shine on me

Rejoice unto the Lord, rejoice  
I wanna make a joyful noise

### CHORUS

God, I give You my voice to sing  
Hallelujah to Christ the King  
Jesus, You will forever reign over all

Father, You are the Mighty One  
Jesus, You are the Risen Son  
Holy Spirit, You help and comfort us all

### VERSE 2

Oh God, let Your will be done  
On this earth as in heaven  
Whatever You lead me through  
I'll be glad and rejoice in You

Rejoice unto the Lord, rejoice  
Come on and make a joyful noise
