- VERSE 1** I know that I'm Your child
And I know You died for me
But this coat of shame still covers me
Will I ever be free?
- CHORUS 1** (Lord remove my shame) Take this heavy coat of darkness from me
(Lord remove my shame) This is my plea
(Lord remove my shame) I want to live in light and victory
Oh, let Your grace and mercy cover – clothe me
- VERSE 2** This coat of shame I've worn so long
And try to cover my disgrace
I cry out loud! You whisper, "Mercy"
With gentle hands You lift my face
- CHORUS 2** (Lord remove my shame) Wrap Your coat of righteousness around me
(Lord remove my shame) This is my plea
(Lord remove my shame) I want to live in light and victory
Open my eyes that I might clearly see...
- BRIDGE** That I'm free – I'm captured by Your mercy
I'm free – Your love has made me worthy
No longer burdened by this heavy chain
You've taken all the guilt and all the pain...
You've clothed me – with Your Glory
